

Eyes That See Not

Eyes that see not at all are fortunately very rare, but eyes that see not readily all they might see are very plentiful in the city.

If your vision is dim and not so good as it used to be the chances are that if you will wear the proper kind of glasses you will again see as well as you use to years ago. Is this not worth while? If so, consult

OFFICERS: Dr. Barton B. Baker, President. Frank C. Pielsticker, Vice-President. M. Keith Neville, Vice-President. William H. McDonald, Vice-President. Charles F. Temple, Secretary. Charles F. Spencer, Treasurer.

An Old Line, Mutual, Legal Reserve Company Writing Life Health and Accident Insurance.

THREE POLICIES IN ONE

The rates of many Eastern Life Insurance Companies and some Western Companies, at the age 35, for a Twenty Payment Life policy are \$38.34 per thousand of insurance, making the rate on a \$3,000.00 policy with them at age 35, \$115.02.

Our \$3,000.00 combination Twenty Payment Life rate at this same age, 35, is \$119.04.

What does each give you for the money you invest in these estates?

| THE Companies First Referred to Policy. | Fidelity Reserve Combination Policy, Three Policies in One. |
|---|--|
| RATE \$115.02 Pays \$3,000.00 at any time that death may occur after the first payment is made, or a paid-up policy for \$3,000.00 at the end of 20 years, plus dividends. | Pays \$3,000.00 at any time that death may occur after the first payment is made, or a paid-up for \$3,000.00 at the end of twenty years, plus dividends. |
| In case of Accidental Death, pays \$3,000.00. | In addition to the above, a Fidelity policy doubles in case of accidental death and we pay \$6,000.00 instead of \$3,000.00. |
| NOTHING | For total disability from sickness or accident, the Fidelity pays \$25.00 per week or equivalent to practically \$110.00 per month. For partial disability, \$12.50 per week or practically \$55.00 per month. |
| NOTHING | Physician's or Surgeon's fees where there is no disability, whatever, the Fidelity pays such expense not to exceed \$15.00 for any one case. |
| NOTHING | For loss of any two members—eyes, hands or feet, \$1,500 spot cash; for loss of one member, \$750, and no matter how much you may have drawn from weekly indemnity or for loss of members, the Fidelity must still, at the maturity of the contract, pay \$3,000.00. |

Remember also that your health and accident insurance in this policy is in an old line, legal reserve company, which is not spending your money but investing and is not like a fire policy where, if you do not have a fire this year, you have nothing coming, or if you become a bad risk that you are cancelled out, as all health and accident policies must contain a cancellation clause where written alone and issued without a medical examination, but any savings or earnings on this policy must drop into the surplus and come back to the policy holders in the way of dividends as this is a full participating policy.
